Safe in their Alabaster  
Chambers.

Unwinked by morning -  
And unwinked by noon -  
In the dark members of  
the Resurrection -

Rapier of satin - and Roof  
of stone!

Grand go the Ears - in the  
Crescent - arms them.

Worlds scoop their Nos -  
And firmaments - now -

Whirlwinds - drops - and Gorges -  
surround in -

Soundless as dots - on a  
disc of snow.

---

Springs - shake the sills -  
But - the Echoes - stiffer -  
Hoon - is the window -
